

# Candlelight Vigil Tonight!

October is Domestic Violence Awareness Month. At our vigil, 376 luminarias will represent the survivors who escaped abuse and stayed in our shelter last year.

Locally, in the past 10 years, 32 victims have lost their lives as a result of domestic violence. The vigil will feature life-size cut-outs to honor all those who have died.

Friends and family of the following murder victims are invited to come at 5:00 pm to decorate the silhouette of their loved one, personalizing the all-to-frequent tragedy that is domestic violence.
