Dear Friends and Supporters:

Since the start of Domestic Violence Services of Benton & Franklin Counties (DVS) in November, 2003 we have been striving toward a culture of change, in the lives of our clients, in our agency, and community wide.

Some of the biggest changes we have had at the shelter are:

- 🎀 PK Soroptimist raised over \$10,000 for shelter improvements and put in countless hours to paint and clean the shelter bedrooms; replace bedding and will begin work on the backyard this fall.
- 🎀 Richland Rotary cleaned and painted the living room, kitchen and dining room in the shelter.
- 🎀 Improved security for clients and staff by installing shelter wide alarm system.
- 🎀 Infinia Corporation and Perfection Glass installed new vinyl windows throughout the shelter.
- 🎀 City of Richland and Community Action Committee partnered to make weatherization improvements, including much needed maintenance to the heating and cooling system. In addition, a new roof and new insulation will be installed this fall.

All of this is thanks to the strong community alliances and partnerships that have been built over the eighteen months. But, as always the changes of an outward appearance are not nearly as significant as the internal changes. Some of the internal changes we've made this past year are to become more client centered, and to develop more client driven policies and procedures. All of our practices are motivated by our mission to serve our clients. We have healthy, vital, and well-trained advocates who are able to provide services that empower our clients to be safe, healthy and confident in their own abilities.

Despite our humble beginnings, we have found that we are not alone in our passion and dedication to provide services and support to victims of domestic violence – we stand united with our community partners and supporters. The staff and volunteers of DVS continue to be astounded by the powerful and proactive community that we have behind us. We simply could not have done, nor continue to do, this work without your help. Thank you!

Sincerely,

Kelly Abken
Executive Director
